

Short Curriculum Vitae

Professor Vasile BERINDE

1. Affiliation: Full Professor, Department of Mathematics and Computer Science, North University Center at Baia Mare, Technical University of Cluj-Napoca, Victoriei 76, 430122 Baia Mare ROMANIA;
E-mail: vberinde@cunbm.utcluj.ro;
Personal web page: <https://vberinde.cunbm.utcluj.ro>

2. Research Interests

Nonlinear Analysis. Fixed Point Theory. Iterative Approximation of Fixed Points: more than 200 published research papers (188 reviewed in Mathematical Reviews; 209 reviewed / indexed in zbMATH; 107 indexed by Web of Science; 112 indexed by SCOPUS, as by 21 April 2024)

3. Citations

- Google citations: 8262 (h-index=38, as by 21 April 2024)
- ISI Web of Science citations: more than 2497 citations (without self citations=2408; h-index=26) to papers published in ISI Web of Science journals) (as by 21 April 2024)

4. Member Professional Societies: Romanian Mathematical Society; American Mathematical Society; European Mathematical Society.

5. Honours and Awards:

- Full member, Academy of Romanian Scientists (2021; corresponding member: 2018-2021)
- Included in the 2016 and 2017 Thomson Reuters List of **Highly Cited Researchers**
- Included in the Stanford University World's Top 2% Scientists List: 2020, 2021 and 2022
- Distinguished Research Award of Technical University of Cluj Napoca (2013)
- Honorary Doctor of Donetsk National State Technical University (Ukraine, 2001)
- Honorary Doctor (*Doctor Honoris Causa*) of Ovidius University of Constanța (Romania, 2021)
- The Centennial Medal "Gazeta Matematică" of Romanian Mathematical Society (1995);
- The Centennial Honor Certificate "Gazeta Matematică" of Romanian Mathematical Society (1995);
- The Honor Certificate "110 Years of Publishing Gazeta Matematică" of Romanian Mathematical Society (2005)
- Entry in Who's Who in Romania, edition 2002
- Centenary Medal of Romanian Mathematical Society (2010)

6. Most significant publications:

- the monograph Iterative Approximation of Fixed Points (Springer, 2007);
- Paper
